The Mississippi Chapter of AABE has awarded scholarships to outstanding minority high school students for nearly 25 years. The students must pursue a Bachelor's degree at an accredited institution in an energy related field such as the sciences, mathematics or engineering.

The purpose of the AABE Mississippi Chapter Scholarship is to assist African American, Hispanic and Native American students with the cost of pursuing a Bachelor's degree at an accredited institution. Candidates are also eligible to compete for the AABE Regional and National Premier Scholarships presented at the AABE National Conference on an annual basis.

Since 1990, the Mississippi Chapter has awarded more than \$100,000 to 82 students local and statewide! Please join us as we continue to support our students by participating in our 1<sup>st</sup> Annual MS AABE Scholarship Golf Tournament.

*AABE is a non-profit 501 ©3 organization. Donations are tax deductible. All net proceeds benefit the scholarship fund.*
