For nearly 20 years, the national organization of AABE has awarded scholarships to outstanding minority high school students. The students must pursue a Bachelor's degree at an accredited institution in energy related fields such as science, mathematics and engineering.

In 1994 the Atlanta Chapter of AABE established a scholarship program to provide financial assistance to local high school students. We also grant continuing education awards to college students who are past scholarship recipients. Many of the funds were made available through the efforts and generous support of AABE founding member James K. Davis, for whom the scholarship was named in 1998.

To date, the Atlanta Chapter has awarded more than **\$415,000** to 375 Metro Atlanta students! Please join us as we continue to support our students by participating in our 11th annual James K. Davis Scholarship Golf Tournament.

AABE is a non-profit 501(c)3 organization. Donations are tax deductible as allowed by law. All net proceeds benefit scholarship fund.
