“AABE DAY at the Georgia State Capitol”

Rodney J. Russell

President, AABE Atlanta
Georgia Power Company

The AABE Atlanta chapter would like to extend an invitation to you to join us for the first “AABE Day at the Georgia State Capitol.” This event will be hosted by the Legislative Black Caucus.

Planning is underway for an exciting day as we get up close and personal with our Georgia State legislators to learn more about the legislative process. We will discuss how the AABE Atlanta chapter can continue its efforts to be seen as an important resource for legislative and regulatory matters involving minorities in energy.

You also will have the opportunity to tour the Capitol building and sit in on a few committee meetings.
