John W. Thompson, Ph.D.
Superintendent of Schools

Kay H. Sledge, Ed.S
Chief Academic Officer

November 4, 2008

Dear Science Colleagues,

I hope this letter finds you well. The Clayton Regional Science and Engineering Fair is just around the corner! This year the fair will be held on Saturday, February 21, 2009 at Jackson Elementary School in Jonesboro. I would be delighted to have you serve as a judge for the fair. We have been very fortunate to have the support of local science specialists over the years to evaluate our students' projects.

If you are interested in serving as a judge this year, please fill out the attached form and fax it to my attention at 678-817-3107. If you know of other science specialists that would be interested in judging, please feel free to pass this information on to them. There will be an honorarium of \$100 for judging. A light breakfast will also be served.

I look forward to working with you. Thank you for your support of science education.

Sincerely,

Katrina Miller
Coordinator of Secondary Science
